## Responsibilities of the Partners

In order to accomplish Club objectives, it is important that all partners apply a coordinated “team” effort. All partners must agree and commit to doing their part. It is only in this way that the best chances for athlete success will be realized.

This document sets out responsibilities and Fair Play Codes for all partners, including athletes, coaches, parents and SMSC Executive Committee members. It is expected that all partners adhere to this Code of Conduct, as well as that laid out by BC Alpine in their Member Code, Dispute Resolution and Appeals Policy.

## Athlete Responsibilities

## Parent Responsibilities

The parent, by signing this agreement, has agreed to:

## Disciplinary Action

### Infractions

Club members who behave in an unacceptable manner may be subject to disciplinary action by the HBC Executive Committee. The Club has identified two levels of infraction:

- **Minor Infraction:** Has limited impact on the athlete, other athletes or individuals and/or the program as a whole. Examples include:

- Inappropriate use of language.
- Failure to participate in the designed program.
- Bullying or harassment.
- Lack of respect to teammates or elders.
- **Major Infraction:** Has serious impact on the athlete, other athletes or individuals and/or the program as a whole. Examples include:
  - Use of or encouraging the use or distribution of drugs.
  - Consumption of alcohol for minors or excessive consumption of alcohol for adults.

Punishable infractions must have a witness other than the individuals involved in the unacceptable behaviour. If there are no witnesses, the Club will increase supervision of the individual in question, or apply separation of individuals, as required.

### Penalties for Athletes

- **Minor infractions:** May result in withdrawal of training or racing privileges for a short period of time (eg: less than one week)
- **Repeated minor infractions:** May result in withdrawal of training or racing privileges for a longer period of time. (eg: more than one week) or dismissal from the Program.
- **Major infractions:** may result in dismissal from the Program.

The SMSC Executive Committee, in consultation with coaches, are responsible for the administration of all disciplinary action against athletes. The exception to this is that a coach may impose a suspension for the remainder of a day of training or racing for a minor or major infraction.

### Penalties for Adult Members

Non-athletes who behave in an unacceptable manner may be subject to disciplinary action by the SMSC Executive Committee.

- **Minor infractions:** May result in exclusion from events or activities for a short period of time (eg: less than one week)

- **Repeated minor infractions:** May result in exclusion from events or activities for a longer period of time. (eg: more than one week) or exclusion from all SMSC events and activities.
- **Major infractions:** May result in exclusion from all SMSC events and activities.

The SMSC Executive Committee is responsible for administering disciplinary actions for minor and major infractions.

## Penalties for Coaches

Coaches who behave in an inappropriate manner are subject to disciplinary action by the SMSC Executive Committee. Because coaches are employees of the Club, the process for dealing with infractions of the Code of Conduct is different from that for athletes and members. The primary concerns are the well-being and safety of the athletes, and the reputation of the Club and its programs. The Employment Standards Act will govern the Club's actions in the case of coaches.

Depending on the severity of the infraction, penalties may include verbal or written warnings, suspension from duties for a defined period of time, or dismissal. Progressive discipline is a process for dealing with job-related behaviour that does not meet expected and communicated performance standards. The primary purpose for progressive discipline is to assist the employee to understand that a performance problem exists and must be remedied if employment is expected to continue.

## Appeal Process

For **minor infractions** by athletes and members, appeal may be made to the SMSC Executive Committee.

For **major infractions** by athletes and members, appeal may be made to an independent group of people. This group will be comprised of:

- One SMSC Executive Committee member selected by the SMSC Executive Committee.
- Two individuals not connected to the SMSC Executive Committee and agreed upon by the SMSC Executive Committee.

There will be no refund of program fees for time missed resulting from a disciplinary action of any kind.

**Commitment** – By submitting your Ski Club Registration, all parties agree that they have read the “Partner Agreement, Code of Conduct and Rules of Fair Play” and understand its contents. Furthermore, all parties agree to conduct themselves according to the guidelines in this document.
